We have several new members of staff this year who I am sure most of you have already met - Mrs Perry who teaches in Plum class and Miss North who is the teacher in Apple class. New to Westover Green also are Ms Butler, Mrs Dibble, Miss Payne and Ms Pywell who are members of the support staff team. Miss Hale has started her maternity leave now and we await news of her baby! Miss Langley has also started ready to take over in Beech class when Mrs Stevens starts her maternity leave and after half term Miss Squire will be working in Willow class for two days a week and will take over officially when Miss Bradley goes on her maternity leave in January.

*The children are rehearsing  
very hard for their next  
production - Aladdin.  
Tickets are flying out from  
the school office now...*

**Apologies if you usually receive your  
newsletters by e-mail - another  
glitch in the system I'm afraid!**

The children have had a lovely time during our Multi Cultural Creativity Week. They made Teepees, Didgeridoos and Aboriginal art, tried their hand at Polish Dancing and some of the older children took part in an African Workshop. Look out on our website for the photos

We have a pair of girl's glasses in the office that have been here for a long time - has your daughter lost a pair? If so, come in and see if they belong to her.

There are lots of bugs and viruses doing the rounds at the moment so if your child needs to bring cough or throat sweets to school please can you send in a letter and make sure your child gives them to an adult in their class to look after. Thank you.

The outside playground equipment on the KS1 playground is for children to play on during their breaks and lunchtime. Please do not let your children use it or walk on it before or after school.
