Friday 28 October

Parents Evenings
15 and 16 November

School Photos
16 November

Book Fair
23 - 25 November

**Last day of Autumn
Term**
Friday 16 December

Welcome back to another school year at Westover Green.

It is lovely to see all the children looking so smart in their uniforms and we must give a special welcome to all the children and parents in Plum and Mulberry classes starting school for the first time.

Thank you for returning the Vision Day letters, we had lots of very positive comments and ideas from you – and your children - which we will be working on during the coming year. Some of the amusing comments from your children were – longer school hours, PE all day, more homework, pancake races on sports day and teachers to have school uniform!!!

Your children will be able to tell you that our attendance target last year was 96%. We just missed it as our attendance was actually 95.8%. So we are aiming for 96% again this year and have made a really excellent start with last week's attendance of 96.3%. I'm sure that if we all work together we will reach our target this year!

For health and safety reasons on the playgrounds, please make sure all girls wear school shoes that are flat, not heeled.

KS2 Parents - when the bell goes and your children have lined up with their teachers on the playground in the mornings please would you not stand and wait between Silver Birch class and the back doors into school. There tends to be a bottleneck in this area and it makes it difficult for the teachers and children to walk to their classes.

Thank you.

Unfortunately we have had another complaint from the residents who live near the front entrance of school. Some parents who park their cars there when collecting their children are throwing used paper coffee cups and other rubbish out of their cars into the gardens. This week a soiled nappy was thrown away in someone's garden! This is totally unacceptable behaviour as there is a rubbish bin nearby. Please consider the wellbeing of our elderly neighbours.
