Tuesday 7 February was Safer Internet Day 2017.

Amy Britten (ICT Leader from County) came into school and took assemblies for KS1 and KS2 children and spoke to them about keeping themselves safe on the internet. She told them that the Internet was an incredible invention when used sensibly and correctly and gave them some simple rules to help them make sure it stays amazing and that it plays a healthy part of their life. Things like never sharing your personal information with anyone online, never meeting anyone from the internet as they may not be telling you the truth about themselves and that typing something nasty in a message to someone is just as upsetting as saying it to their face.

The main thing to remember is to be smart and safe by making the right choices. If you are ever unsure, ASK for help and advice. Do not deal with it alone!

Somerset County Council has a *School Admissions* page on Facebook. If you 'like' this page you will receive all the latest updates and deadline reminders

When you are tying up your daughter's hair for school, please do not use large or sparkly hair ribbons or accessories. Please only use items in our school colours.

Well done Pear Class - you had the best attendance for this half term

I hope you are finding the extra parking places outside school useful when you drop off and collect your children. We are very lucky to have these so please use them respectfully. If you are dropping your children off early for Breakfast Club please use these spaces, as you will not be able to drive into school after half term as the main gates will be locked. Thank you.

Well done to our Football Team – they beat Hamp 7-3 last week. Oliver and Oscar scored 3 goals each and Josh scored once. The rest of the team are Leandro, Taylor, Henry, Kayden and Alfie. Well played all of you! Thanks also to Mr Ingram and Mr Boucher who put so much time into helping our budding footballers of the future.

We have 2 pairs of glasses in lost property. If you think they belong to your child please ask at the school office.

We are collecting the Active Kids Vouchers from Sainsburys again this year. All your donations are gratefully received and the collection box is in the school reception area. Thank you.
