Westover Green Hotline "Opening the gates to learning"

Heather Good - Headteacher Richard Rosslyn - Deputy Head
www.westovergreen.co.uk

Welcome back to another school year at Westover Green.

Dear Parent/Carer

On 1st August we converted to Academy status and we are now part of the Clevedon Learning Trust which means a few changes to the Leadership Structure at Westover Green.

I am now Executive Headteacher of both Westover and Northgate schools and Mr Rosslyn is Head of School at Westover Green and Mrs Penny will be Head of School at Northgate. I will be based at Westover on Monday, Tuesday and Wednesday each week and at Northgate on Thursdays and Fridays although this could change depending on meetings and other events. Mr Rosslyn or Mrs Penny will be your first point of contact when I am not in the building.

Mrs Good

The new morning routine has worked well but could we please ask all KS2 parents – once you have dropped your children at their classes – to let those coming into school have priority going through the gates. The pedestrian gate is not that wide and there was quite a bottleneck this morning with parents going out while others were trying to get in.

Thank you

IMPORTANT SAFETY INFORMATION

As you are probably aware we are having a new Autism Base at the rear of the school. The building work for this will take us up until half term. Please ensure that you follow all the safety guidance signs that Kier have put up. Where possible please try to use the front entrance.

The new building will be delivered and put into place during Fair week, 26 – 30 September, so the front car park will be out of bounds to everyone all week, including those parents who have disabled passes.

We apologise for the disruption this will cause but we will end up with a purpose built Autism Base making us a fully inclusive school which will benefit all the children at Westover Green.
